Your local insurance broker

Antur Insurance is your local broker. We can compete with both national brokers and direct underwriters on everything from price and professionalism to expertise – all with a personal touch.

With seven offices across South Wales, virtually all of our business, whether commercial or personal, can be conducted face-to-face. And with access to all the major UK insurers as well as Lloyd's of London, we can get you the best cover at the best price for your business insurance, or even save you money on your car insurance, travel insurance or household insurance.

Giving you the right cover at the right price.

Our friendly and helpful staff in your local branch should be your first port-of-call for any enquiry. If you want a quotation, need to make a claim or have an enquiry about an existing policy, simply visit or call your local branch.

“What makes Antur different to other brokers is our in-depth understanding of local people and local businesses”.

We offer high quality, independent bespoke advice to individuals and businesses in English and in Welsh. All of our staff are experienced and fully trained and are backed up by a state-of-the-art computer system, which has access to reduced rates from across the UK, so that we can deliver you cost-effective solutions that suit your individual insurance needs.

“Whatever your needs, if you want insurance with the personal touch, please contact any of the branches listed overleaf - no matter how big or small your enquiry may be”.

Antur Insurance Services Ltd was formed in 2001 as a joint venture between four existing companies. It has grown into a network of local offices throughout South Wales which understand their customers' needs and can offer the personal touch to insurance.
